ABSTRACT AUTHOR'S ACKNOWLEDGMENT, CONCURRENCE & DISCLOSURE
STATEMENT

The authors have read and agreed with the content of this abstract submitted to the Southern Pediatric Neurology Society. Acknowledged below is all support for studies relating to the abstract. If, within the past five years, and author or immediate family member has had a substantial personal financial relationship relating to the support of the abstract, this relationship must be described briefly on a separate sheet. Such relationships include salaries, ownerships, equity positions, stock options, royalties, consulting fees and honoraria for speaking, material support and other financial arrangements. All sources of funding support, including public, for the work described will be published with accepted abstracts in The Journal of Child Neurology.
